Who we are...

Across the global Mercantile enterprise you will meet a well respected and dedicated group of air and sea professionals specialising in capacity management, procurement, air and sea forwarding in Asia, North America and Europe.

Building on the relationships we have developed along with a trusted global network of like minded companies, The Mercantile Team is fully capable to deliver service excellence on every assignment we undertake.

Whether the requirement is for conventional import & export air and sea forwarding to providing specialised retail services and bespoke services, Mercantile Worldwide will get the job done, on time and on budget.

Contact your local office for friendly, professional help.

The Power of Partnerships

Flexible Sea Freight Services

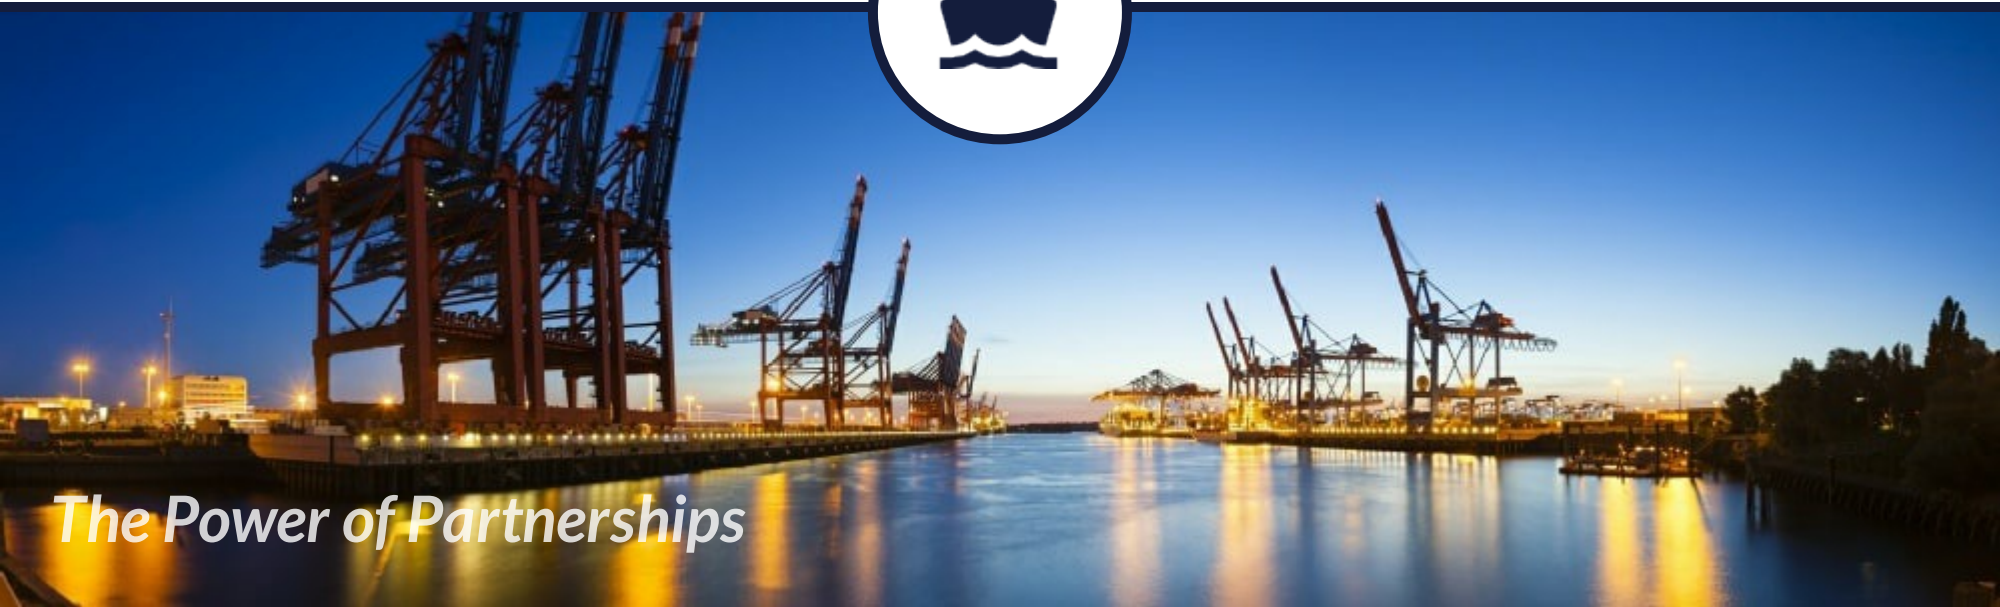

Today's sea freight services are a new reality and we embrace change while still focusing on offering stable capacity. Seeking a bi-lateral approach to contracting capacity with our partners whenever possible, we combine our resources to offer the best price in the first instance. Together we can leave no stone unturned and hold our carriers to their best of intentions regardless of market forces.

This is the power of partnerships.

Mercantile Worldwide offices across Southeast Asia and The USA can provide Customs Clearance and by advanced arrangement payment to Customs for import and export shipments.

Our related services include, bonded and non-bonded warehousing, e-commerce storage and distribution.

Our Mantra is Velocity... we get the job done quickly and efficiently.

The Power of Partnerships

Air Freight Import & Export

Airline purchasing power and extensive overseas partnerships.

Our network of company owned offices and invested joint ventures work diligently on individual solutions that create the needed velocity that air freighting demands.

By having products derived from direct carriers booking relationships, offering quality options that do not compromise our customers objectives we work together with our partners to deliver on what you promise.

- Registered cargo agent with access to all airlines
- Blocked space and allocated capacity in Europe, USA and Far East
- Overseas network providing door to door import & export solutions
- DGR Trained Staff
- Import clearance experts at all locations

Our Mantra is Velocity... we get the job done quickly and efficiently.
